

HOUGH ON THE HILL NEIGHBOURHOOD PLAN REVIEW

MODIFICATION PROPOSAL STATEMENT

Prepared by

For and on behalf of
Hough on the Hill Parish Council

CONTENTS	PAGE
1.0 INTRODUCTION	3
2.0 PROPOSED MODIFICATIONS TO HOUGH ON THE HILL NEIGHBOURHOOD DEVELOPMENT PLAN.....	5
3.0 CONCLUSION.....	16

1.0 INTRODUCTION

- 1.1 The Hough on the Hill Neighbourhood Plan was formally “made” by South Kesteven District Council on 3rd July 2015. Hough on the Hill Parish Council (the Qualifying Body) decided in 2022 to undertake a review of the Neighbourhood Plan, to ensure that it remains effective in meeting the objectives and ambitions of the community and to ensure that it will remain in conformity with the strategic policies of the South Kesteven Local Plan, which was adopted after the Neighbourhood Plan was made, and has regard to the current National Planning Policy Framework.
- 1.2 It is particularly important to ensure that, moving forward, the modified plan is an accessible and robust document and an effective tool in managing future development and planning applications that come forward in the neighbourhood area.
- 1.3 Regulation 11(a) of the Planning and Compulsory Purchase Act 2004 (as amended) states that if a neighbourhood development plan is in force in relation to a neighbourhood area, a qualifying body may make a proposal for the existing plan to be modified or replaced.
- 1.4 Schedule A2 of the 2004 Act (as set out in Schedule 1 of the Neighbourhood Planning Act 2017) states that the proposal must be accompanied by a draft of the neighbourhood development plan as proposed to be modified (the ‘draft plan’) and a statement which contains a summary of the proposals and sets out the reasons why the plan should be modified as proposed.
- 1.5 This Modification Proposal Statement has, therefore, been prepared in accordance with the requirements set out in Schedule A2 of the 2004 Act and Regulation 15(1)(f) of the Neighbourhood Planning (General) Regulations 2012 (as amended). In accordance with the regulations, this Statement sets out:

“whether or not the qualifying body consider that the modifications contained in the modification proposal are so significant or substantial as to change the nature of the neighbourhood development plan which the modification proposal would modify, giving reasons for why the qualifying body is of this opinion.”
- 1.6 This Statement meets this legislative requirement by setting out the proposed modifications to the Neighbourhood Plan, why Hough on the Hill Parish Council considers these modifications to be necessary, and whether these modifications would change the nature of the neighbourhood development plan.
- 1.7 In determining whether the modifications would change the nature of the neighbourhood development plan, we have referred to the additional guidance set out in Planning Practice Guidance (PPG) which sets out the three types of modification which can be made to a neighbourhood plan:

*“**Minor (non-material) modifications** to a neighbourhood plan or order are those which would not materially affect the policies in the plan or permission granted by the order. These may include correcting errors, such as a reference to a supporting document, and would not require examination or a referendum.*

***Material modifications which do not change the nature of the plan** or order would require examination but not a referendum. This might, for example, entail the addition of a design code that builds on a pre-existing design policy, or the addition of a site or sites which, subject to the decision of the independent examiner, are not so significant or substantial as to change the nature of the plan.*

***Material modifications which do change the nature of the plan** or order would require examination and a referendum. This might, for example, involve allocating significant new sites for development.”* (PPG, Paragraph: 106 Reference ID: 41-106-20190509)

1.8 Hough on the Hill Parish Council considers that the modifications proposed all fall in to the categories “**minor (non-material) modifications**” or “**material modifications which do not change the nature of the plan**”. It is considered, therefore, that the proposed modifications may be made without a referendum, but should be referred to an independent examiner.

a) Consultation on Draft Modification Proposal Statement

1.9 A draft version of the Modification Proposal Statement was published for consultation alongside the draft Neighbourhood Development Plan in accordance with the requirements of Regulation 14 of the Neighbourhood Planning (General) Regulations 2012 (as amended).

1.10 Following public consultation, this Modification Proposal Statement has been finalised to reflect any changes made to the plan following the consultation and is submitted to the Local Planning Authority for examination alongside the final Neighbourhood Development Plan and other accompanying documents.

2.0 PROPOSED MODIFICATIONS TO HOUGH ON THE HILL NEIGHBOURHOOD DEVELOPMENT PLAN

- 2.1 The Hough on the Hill Neighbourhood Plan was 'made' by South Kesteven District Council on 3rd July 2015 following a referendum in which the majority of respondents voted in favour of adopting the neighbourhood plan.
- 2.2 Hough on the Hill Parish Council is now proposing to make a series of modifications to the 'made' plan for a number of reasons, including:
- To ensure that the neighbourhood plan continues to have regard to national policies and advice, particularly as set out in the recently updated National Planning Policy Framework (NPPF), December 2024 - which was adopted after the Neighbourhood Plan was 'made' (all references to NPPF paragraphs have been updated, where relevant);
 - To ensure that the neighbourhood plan remains in conformity with South Kesteven Local Plan (2011 – 2036), which was adopted in 2020, again after the Neighbourhood Plan was 'made' (all references to South Kesteven Local Plan have been updated);
 - To correct minor errors and to clarify meaning and aid understanding of how the current policies should be applied (without changing their intended purpose); and
 - To ensure that the neighbourhood plan continues to reflect local residents' ambitions for the area.
- 2.3 The proposed changes have been subject to public consultation, and comments received have been considered and responded to, as set out in the separate Public Consultation Statement.
- 2.4 Table 1 below summarises the modifications that are proposed to the Hough on the Hill Neighbourhood Plan, sets out the reasons why these modifications are required and the nature of the proposed modifications, including whether they are non-material or material, and whether they would change the nature of the plan.

Table 1. Hough on the Hill Neighbourhood Plan Proposed Modifications

Section of 'Made' Plan	Proposed Modification	Reason for Modification	Nature of Modification
Front cover – Plan period	<ul style="list-style-type: none"> Plan period amended to 2024-2036. Explanatory words added in brackets – to be deleted once the modifications are made. 	<p>To clarify the period this modified version of the Neighbourhood Plan is intended to cover, bringing it in line with the SK Local Plan time frame.</p> <p>To clarify the status of the document.</p>	<p>Material modification which does not change the nature of the plan.</p> <p>Minor modification which does not materially change the nature of the plan.</p>
1. Introduction	<p>What is a Neighbourhood Plan:</p> <ul style="list-style-type: none"> Added explanation of the Neighbourhood Plan's role in the "development plan". 	To clarify the relationship between the Neighbourhood Plan and the Local Plan	Minor modification which does not materially change the nature of the plan.
Paragraphs 6 - 9	<p>How was this Plan Prepared?</p> <ul style="list-style-type: none"> Additional text added to explain: <ul style="list-style-type: none"> the process and relevant dates relating to making the original Neighbourhood Plan; the wider context for modifying the Neighbourhood Plan; the nature of the proposed modifications; how the review process has been funded. 	To outline the plan-making and modification processes.	Minor modifications which do not materially change the nature of the plan.

Delivery Strategy	Minor typographical context changes (paragraph 147).	To correct and update this paragraph.	Minor modifications which do not materially change the nature of the plan.
Annex 1: Neighbourhood Plan Design Guidance	<ul style="list-style-type: none"> The term "Annex 1" added. An explanatory note added, as follows: "When considering development involving new or altered buildings, it is recommended that reference should also be made to Hough on the Hill Design Guidance and Design Codes (August 2022), prepared by AECOM". 	<p>To clarify the status of this section.</p> <p>To draw attention to the Hough on the Hill Design Guidance and Design Codes as a recommended reference.</p>	Material modifications which do not change the nature of the plan.

3.0 CONCLUSION

- 3.1 The modifications proposed to the Hough on the Hill Neighbourhood Development Plan are considered to be necessary and timely, in order to keep the Plan up to date and relevant. The proposed modifications ensure the deliverability of the plan as originally intended and will, therefore, bring clarity and consistency to aid decision making.
- 3.2 The proposed modifications are consistent with the spirit, vision and objectives of the Made Plan and are necessary to ensure that the Plan remains in conformity with the revised NPPF (December 2024) and The South Kesteven Local Plan (adopted January 2020), both of which have come in to effect since the date the Hough on the Hill Neighbourhood Plan was made in July 2015.
- 3.3 Taken as a whole, the proposed modifications are considered to be **“material modifications which do not change the nature of the plan”**. It is, therefore, considered that, subject to consideration by an independent examiner, the modifications may be made without a referendum.
