

8. Loss of Agricultural Land and area Natural Beauty (SKR- PR327 and SKPR-272)

A significant portion of good agricultural land will be lost to the proposals.

9. Effect on Wildlife (SKR- PR327 and SKPR-272)

The proposals will have a significant and detrimental effect on wildlife. In particular the affected fields in SKPR-272 are understood to contain a Badger Sett.

10. Increase in Crime and Anti- Social Behaviour (SKR- PR327 and SKPR-272)

Increase in population as a result of the proposals may potentially increase crime and anti-social behaviour in our once quiet village.

11. Barrowby Lodge: A Heritage Asset

[REDACTED]

[REDACTED] I object to them.

Specific Objections:

Access to Site (SKR- PR327)

[REDACTED]. Access should not be given to construction or any other traffic down this route which will have an adverse impact [REDACTED]. Similar comments apply if the proposals are completed. Access to any development should not be down this track. The access track is also too close to an existing Electricity Pylon to be safely redeveloped.

Access to and from Western Boundary of Site (SKR- PR327)

The whole of the Western boundary [REDACTED] is adjacent to part of the Eastern boundary of the site. This should be fenced off. No access should be given from the private track that runs alongside this track either during construction of any development or use of it if constructed. This is to maintain the quality of my property and its unique heritage and location. This will also maintain the integrity and safety of the farming carried out by [REDACTED]. Access from the
